# MINISINK HOSE COMPANY #1 FIRE DEPARTMENT'S BACKGROUND CHECK RELEASE FORM

## Non-Fingerprint Background Checks – Volunteer Firefighters

Effective December 2, 2014, Executive Law §837-o requires prospective volunteer firefighters, and current volunteers seeking membership in another fire company, to undergo non-fingerprint criminal history background checks, for arson convictions and convictions which require registration as a sex offender only, against the State's criminal history files maintained by the Division of Criminal Justice Services (DCJS). The law prohibits a fee from being charged in connection with these background checks. The law also specifies that these checks will be conducted by sheriffs' offices unless a county legislature enacts a local law prohibiting its county sheriff from having such responsibility. In such a case, the NYS Division of Homeland Security and Emergency Services, Office of Fire Prevention and Control (OFPC), is authorized to perform the background checks for the affected volunteer fire companies.

I, \_\_\_\_\_ understand that investigative background inquiries are to be made on myself which may include **Criminal History and/or Motor Vehicle** Reports. I understand that you will be requesting information from various Federal, State, and other Agencies which maintain records concerning my past activities relating to my Driving and Criminal experiences. I authorize without reservations, any party or agency contacted by the **Minisink Hose Co. # 1**, to furnish the above mentioned information.

§ 837-o. Search for arson and sex offense conviction records of volunteer firefighter applicants. 1. Any person who applies for membership in a fire company, as such term is defined in section three of the volunteer firefighters' benefit law, or who seeks to transfer as a member to another fire company, shall be required to authorize the submission of his or her name and other authorized identifying information to the division which shall search its files for records indicating whether the person stands convicted of the crime of arson or a crime which requires the person to register as a sex offender under article six-C of the correction law. The chief of the fire company to which application is made shall provide written notice to the applicant that a search will be conducted, and if the applicant desires to proceed, he or she shall complete a search request on the form provided for this purpose by the division of criminal justice services.

2. Within ten business days of receipt from the applicant, the chief of the fire company shall send the completed search request form to either (i) the sheriff's department of the county in which the fire company is located, or (ii) the office of fire prevention and control, as follows:

(a) the sheriff's department of the county in which the fire company is located shall be responsible for receiving the search requests and processing the search requests with the division within ten business days of receipt from the chief of the fire company, unless the county legislative body adopts and files with the office of fire prevention and control pursuant to the municipal home rule law a local law providing that the sheriff's department shall not have such responsibility;

(b) in all other instances where a county legislative body has adopted a local law pursuant to paragraph (a) of this subdivision, the office of fire prevention and control shall be responsible for receiving search requests and forwarding the search requests to the division.

The office of fire prevention and control is hereby authorized to establish a communication network with the division for the purpose of forwarding search requests and receiving search results pursuant to paragraph (b) of this subdivision.

3. (a) All searches concerning the application for membership in a fire company shall be conducted under the provisions of subdivision six of section eight hundred thirty-seven of this article without the assessment of any fee to the applicant or fire company and shall pertain solely to ascertaining whether the applicant stands convicted of arson or a crime which requires the person to register as a sex offender under article six-C of the correction law.

(b) The results of the search shall be communicated in writing, within ten business days of receipt from the division, to the chief of the fire company from which the search request originated by either the sheriff's department or the office of fire prevention and control, and shall be kept confidential by the chief, except as provided in paragraph (c) of this subdivision. The results of the search shall only state either that: (i) the applicant stands convicted of arson and/or a crime which requires the person to register as a sex offender under article six-C of the correction law, or (ii) the applicant has no record of conviction for arson or a crime which requires the person to register as a sex offender under article six-C of the correction law. The results of the search shall not divulge any other information relating to the criminal history of the applicant.

**(Over)**

(c) At the time an applicant is advised that he or she is ineligible for membership due to a record of conviction for arson, he or she shall also be advised of the rights to challenge and appeal the information contained in the record of conviction as provided in the rules and regulations of the division. The applicant shall continue to be barred from membership until all administrative and judicial challenges to the accuracy of such information or appeals therefrom, are ultimately resolved in his or her favor, or if such a determination is unchallenged.

(d) If a person is denied election or appointment as a volunteer member of a fire company based in whole or in part on the fact that he or she stands convicted of a crime which requires the person to register as a sex offender under article six-C of the correction law, he or she shall be advised by the fire company of the rights to challenge and appeal the information contained in the record of conviction as provided in the rules and regulations of the division, and provided by the fire company with a copy of the criminal history record received by the fire company and with a copy of sections seven hundred fifty-two and seven hundred fifty-three of the correction law.
